

# HVAC GUIDE FOR HOMEOWNERS

HVAC SECRET HEADQUARTERS

Joshua Griffin

*The HVAC Guide for Homeowners YouTube Channel is unique in comparison to other HVAC YouTube channels. The channel's goal is to provide homeowners information and advice when making HVAC purchases.*

**WHAT! 3.3 Million Views in 2023!**

*Why Choose us?: Because of our unique approach, most of our audience is looking specifically to purchase products in the HVAC or Home Products industries!*

## Past and Present Partners

### Video Services:

- *Integrated and Dedicated highlighting products*
- *Product Launch Videos*
- *Product Reviews*
- *Videos including Product Giveaways, Factory tours, Interviews of your Company representatives, sponsored content, re-targeting, co-creation, competitions, mentions on social, discount codes.*
- *Repurposed Content. We can make content for your channel!*
- *Exclusivity (Want to be the official sponsor of our channel in your niche market and block your competition?!)*

### Other Services:

- *Hire Josh to speak at your next event*
- *Consulting Services.*
- *Marketing and Branding Strategies*
- *Have Josh author a blog post or article*
- *Have Josh as a guest on your podcast or show*

*We are also partnered with America's best website for helping homeowners purchasing an HVAC system, [www.newhvacguide.com](http://www.newhvacguide.com). Sponsorship opportunities available there too.*
